

Reporting to: Managing Quantity Surveyor

Purpose: The day to day financial and cost control and reporting of one or more developments from the Award up to and including completion of client and sub-contract final accounts, recovery/discharge of all retentions and completion of archive material, while supervising and training of assistant and trainee surveyors.

Achieving Results

- Effective commercial control of all allocated projects/developments including provision of timely and accurate documentation in accordance with the Surveying timetable, in particular PPRs, all elemental reconciliations, cash flow forecasts, etc.
- Setting targets and allocating duties to assistant/trainee surveyors whilst maintaining quality.

Managing the Process

- Effective cash management including pursuit of timely Applications/Certification/Invoices/internal notices and receipts, careful administration of subcontractor accounts, at all times being cognisant of the need to cultivate effective/longstanding relationships and promote dispute avoidance.
- Produce accurate and robust cash flow forecasts.
- Keeping the Chief Surveyor informed of the progress of all accounts both Client and Sub-contract through to finalisation, including, the release of retentions.
- Ensuring, in conjunction with the Commercial Administrator that payments/notices are effected in accordance with the Sub-contract and Construction Act and in particular, ensure any commercial threats to Projects are identified swiftly and communicated to the Chief Surveyor.
- Contract Administration - attending monthly project and client meetings and ensuring that surveying information and cost advice is provided in an accurate and proficient manner.
- Establish a procurement programme and enquiry list and ensuring that the procurement of sub-traders and suppliers is undertaken in a timely and cost effective manner in liaison with the Managing Surveyor and/or Chief Surveyor, ensuring that packages are robust and buying gain is optimised.
- Timely production of the Main/Subcontract Final Accounts, including re-measurement as necessary to facilitate the optimum result, evaluation of all variations a loss and/or expense issues.
- Health and Safety - All employees have a statutory duty to look after their own safety and to give due consideration for the safety of others. Employees also have specific responsibilities as set out in the Company Health and Safety Policy.
- Equality & Diversity - All employees must comply with the Company Equality and Diversity Policy, ensuring that at all times behaviour is fair and non-discriminatory.

Serving the Customer (Internal and External)

- Effective interaction with other members of the project team promoting the

commercial perspective on all issues.

- Form and develop relationships with client, PQS and Design Team.
- Form and develop relationships with supply chain.
- Working effectively with Site Management and rest of Team.

Delivering Quality

- Ensuring work is submitted in a timely manner in line with commercial deadlines, error free
