

Job Code 301 **Apprentice Carpenter**

Reporting to: **Site Manager/Sub-contractor**

Purpose: To assist with carpentry duties leading to a qualification at NVQ Level 2

Achieving Results

- This NVQ provides the opportunity for construction operatives who specialise in the discipline of carpentry to demonstrate their competence in the National Occupational Standards, as defined by CITB. Apprentices are expected to achieve a broad knowledge and understanding and complete skill training to become qualified within carpentry. The qualification is aimed at those individuals wishing to join the construction industry as carpenters.
- This new Diploma NVQ qualification replaces the Intermediate Construction Award to comply with the Sector Skills Council requirement for broader training, as defined in the Construction Qualification Strategy. The units which must be completed are as follows:
 - Y/501/7454 - Know how to carry out safe working practices in construction
 - D/501/7455 - Carry out safe working practices in construction
 - L/501/4969 - Knowledge of information, quantities and communicating with others
 - F/501/4970 - Information, quantities and communicating with others
 - J/501/4971 - Knowledge of building methods and construction technology
