

Quantity Surveyor

Generic title	Manager – 2
General Description	A colleague at this level will take responsibility for delivering specific tasks, goals and objectives. They will work under direction but will be able to work without day to day support. They are expected to work proactively and deliver defined tasks to an industry standard.
	They will manage their own tasks within the context of a project or company objective. Whilst they will take day to day decisions on their own, they will refer significant decisions. They are accountable for the performance of a small team.
	In operations they will manage small or medium projects and site. They supervise larger teams of trades of co-ordinate significant functions on a larger project.
	In commercial they will manage costs and quantities on small projects or as part of a team on a larger project.
